

Save The World Day at Kilmarnock Boys and Girls Club

July 27, 2022

TOGA participated in the Boys and Girls Club "Save the World" theme teaching the reason of oyster aquaculture, oyster history, oyster biology and oyster anatomy. We had great day of teaching up to 80 eager-to-learn students between the ages of 8 and 12 over with 5 classes. Culminating the day with a class of 12 at Camp KeKoKa on similar topics.
