Tidewater Oyster Gardeners Assoc.
Mr. Terry A. Lewis
Post Office Box 2463
Gloucester, VA 23061

Dear Mr. Lewis:

While you have received a receipt for your gift to the Tidewater Oyster Gardeners Association (TOGA) Fellowship, I want to personally thank you for your support of our Institute. Your continued interest in our students and the work they are doing to educate the next generation of marine scientists is most appreciated.

This is a wonderful way to support students studying oysters, shellfish, and important aspects of the general ecological health and restoration of the Chesapeake Bay.

From all of us at VIMS – scientists, students, staff and volunteers – thank you for joining us. You are making a difference.

Best regards,

John T. Wells
Dean and Director

THANK YOU!
